

SCHEDULE HEARING ON HABEAS CORPUS WRIT FOR DARCY**Petition Cites Attitude of 10 Jurors in The Case****"LIFE" A POSSIBILITY****One Point of Contention Is That Darcy Did Not Testify at Trial**

By International News Service
SCRANTON, Apr. 10.—The U. S. District Court at Scranton scheduled a hearing today on a petition for a Federal writ of habeas corpus for one of three young Philadelphians doomed to die in the State's electric chair Thursday.

Since they were condemned to die, they have been snatched from the shadows of the death cell eight times—once within an hour of their scheduled execution—due to legal maneuvers by counsel for David Darcy, 26.

Darcy was found guilty along with Harold Foster, 26, and Harry Zitz, 21, in a 1947 tavern holdup-murder in Feasterville. Each time that Darcy has been granted a reprieve, Gov. John S. Fine has stayed the execution of the other two.

The petition for the writ on which the hearing was scheduled today was presented before two Federal Judges last Thursday.

Yesterday, attorney Charles J. Margiotti asked the State Supreme Court in Philadelphia for a writ of habeas corpus to stay Darcy's execution.

THE WAR

TOKYO — Powerful Chinese communist resistance checked a 30-mile-wide United Nations assault today as it neared North Korea's giant Hwachon reservoir. The stemming of the allied drive was reported in a Tuesday night field dispatch from the ridge-creased central front. The dispatch said the day's strongest Chinese opposition was encountered in the vicinity of the swollen Pukhan river east of the enemy-abandoned hub of Hwachon.

Gen. Douglas MacArthur's Tuesday mid-morning communique said the fighting in Korea was "focused in the central sector where our units continued to advance against light to stubborn enemy resistance."

The bulletin spoke of "intense mortar and small arms fire" received by UN troops pushing up the east wing of the central front below Yanggu and Inje. French infantry columns were operating in this rugged area, with close American artillery and air support.

Fighter pilots, hitting the enemy in the east-central sector Tuesday, killed or wounded at least 100 reds, at one point and destroyed or damaged three enemy tanks and 20 vehicles at another.

10 SPOTS ARE TO BE VISITED IN NEWTOWN**"Open House" Day Planned In Community Founded By Penn In 1682****SATURDAY, MAY 19TH**

NEWTOWN, Apr. 10.—"Open House" day in historic Newtown, which was founded by William Penn in 1682, will be featured for the first time Saturday, May 19th, from 10:30 a. m. to 4:30 p. m., under auspices of the Neshaminy Valley Youth Center, Inc.

This is the first time the public has had the rare opportunity to visit many of the historic homes in this area. Included among the 10 places of interest to be visited will be the "Bird-in-Hand," a well known landmark of colonial days; the old Presbyterian church of Revolutionary fame; Hidden Valley Farm, the home of Mr. and Mrs. Lawrence J. Pearson; Headquarters Farm, the home of Dr. and Mrs. Hayward Holbert, which was considered one of the most attractive places on the New Hope tour last year.

Tickets may be purchased at the Neshaminy Valley Youth Center or at any of the homes. Adequate parking facilities will be available and luncheon will be served at the Youth Center on North State street, from 12 to two p. m.

Roads will be posted with markers to correspond to the map on the "Open House" day folder. Individuals will be met at the various homes by hostesses in colorful colonial costumes.

Other homes on the tour are those of Eugene Bachmann, Jr., Russell Wright, Frederick Trabold, Warren Custer, Mrs. Dorothea Collins, Carleton Smith.

BUCKS COUNTY INDUSTRIAL MANAGEMENT MEETING

The regular dinner meeting of the Bucks County Industrial Management Club will be held this evening in St. James Parish House, H. Thomas Hollowell, Jr., president, Standard Pressed Steel Company, will speak on "Management's Responsibility to the Supervisor."

WORLD NEWS IN BRIEF

What to do about General MacArthur and his statements on political aspects of the Korean war continued to disturb Washington and other United Nations centers yesterday. President Truman maintained silence on what, if any, action he might take, but Republicans in Congress moved to enlarge the General's authority to make foreign policy recommendations. France and Britain looked with increasing displeasure on any effort by General MacArthur to act without express authority from the United Nations and some delegates to the United Nations discussed whether he should remain supreme commander in Korea.

A "tremendous build-up" of Chinese Communists in Korea was reported in Washington. Speaker Rayburn stood by his earlier remark on the massing of Russian troops, saying they were "concentrating here and there and everywhere."

Soviet insistence on a binding four-power disarmament agreement on a foreign ministers' agenda deadlocked the meeting of deputies in Paris, and Charles E. Bohlen is flying to Washington to lay the situation before Secretary Acheson. Deputy Foreign Minister Gromyko charged that "the MacArthur and

WATCHDOGS OF FREEDOM

Under the American Constitution, the judicial branch of the government has broader powers than is the case with any other important country. Whether this was a matter of deliberate intention on the part of the writers of the Constitution, or was invented by the brilliant mind of John Marshall, is immaterial. The point is that the American plan gives to the Federal courts the job of being watchdog for the liberty of the people and for their sovereignty over their government.

It follows that whenever the courts have stepped out of this role, the country's government has suffered. Freedom has declined, and the national government has drifted in the direction of dictatorship.

A part of the present ills which beset Uncle Sam rises from the fact that the Supreme Court, early in the Roosevelt Administration, largely abdicated from its responsibilities.

The Court couldn't stand the gaff of F. D. R.'s political attacks upon it. Congress wouldn't let him pack the court with his partisans, but he got the same results by a series of appointments stretching over a few years instead of occurring all at once, plus the political intimidation of those members who continued to sit.

It was never intended, either by the authors of the Constitution nor by its principal interpreter, Justice Marshall, that the Federal courts become a mere adjunct to the White House or to a political party. When this happened during the New Deal, Constitutional freedom was endangered.

One could name a score of matters in which a vigorous and independent Federal judiciary would have stepped in and clarified responsibilities. It is no credit to the occupants of our highest bench that they have sidestepped so many of these opportunities.

To name a couple of examples:

Take the matter of the distribution of Federal grants for public assistance and other purposes among the several states of the Union. There has been a running quarrel between state governments and Washington bureaucrats ever since these grants were begun, the states claiming that the money should be distributed according to need, and the Washington strawblosses insisting on handing

RUSSIAN REFUGEES REACH HERE SAFELY**Life is 'Looking Up' for Mr. and Mrs. Anton Kuzmin and Baby****MAGNOLIA GARDENS**

Thankful to be breathing the free air of the United States of America, Mr. and Mrs. Anton Kuzmin are safe in Bristol township after experiencing Europe's upheavals. For their slave labor days in Germany are over, also their period as displayed persons. For the Kuzmins and their eight-month old son Alexander, things are "looking up."

True, their life here is starting out as a meagre one, but the Kuzmins are young and they see better days ahead than they have ever known.

Arriving in New York, N. Y., Saturday on the "Stewart," an International Refugee Organization ship, they then were taken to Magnolia Gardens, just off Magnolia road. There, at the home of Mr. and Mrs. Boris Lapizky, the Kuzmins were made welcome. Mrs. Lapizky and Mrs. Kuzmin are cousins. The Lapizkys have been in this country just nine months, and the ways of America are new to them. They are learning the English language. For a time Mrs. Lapizky was employed at the Starkey Farms, Falls township, and more recently has been employed by a Trenton, N. J., firm.

DOYLESTOWN, Apr. 10.—Sentence was pronounced yesterday for two young men when Judge Hiram H. Keller said: "You two young men are examples of what is going on between young men and women everywhere these days." President Judge Hiram H. Keller, who sentenced Joseph Gagliotti, 23, and Charles Whitehair, 24, to the Pennsylvania Industrial School, said: "There are some men who can't see anything but sexual gratification in a woman."

Gagliotti, formerly of Trenton, N. J., and Whitehair, Trenton, is said to have a previous criminal record, were convicted by a jury December 15, 1950.

They denied they attacked a Trenton, N. J., sweetshop waitress, near Morrisville, after taking her for an automobile ride October 17, 1948, but wanted to plead guilty to attacking her in New Jersey.

Department of Police
Bristol, Pennsylvania
Re: Robbery—March 26, 1951
Gentlemen:

This organization is indebted to your fine police department, and particularly to Patrolmen John Chichilitti and John Dugan, for the apprehension of William Ridgway, Raymond Ridgway and William Willets for the breaking and entering into our Post Home and the taking of \$509.00 together with "safe."

I have been directed to congratulate your department and the men directly concerned and to express thanks for not only apprehending the culprits but also for enabling us to have the return of our money which we really need to finance our various programs.

May I express my own personal appreciation for your performance of duty in this matter.

Very truly yours,

LATEST NEWS BULLETINS**Chemicals Feed General Alarm Fire**

Conshohocken.—A general alarm fire fed by exploding chemicals today destroyed four buildings of the Quaker Chemical Products Corp. with damage ranging between \$250,000 and \$500,000. Some 200 volunteer firemen battled more than two hours before bringing the spectacular blaze under control. One fireman suffered a gashed right hand. The firefighters managed to save six other buildings of the plant, located at Spring Mill, adjoining Conshohocken. Officials of the firm which produces 56 chemicals used by the steel, textile and silk industries, said the factory would have to be closed. Firemen said the manufacturing building was leveled and the interiors of three others were destroyed.

General Freeze Regulations Amended

Washington.—The Office of Price Stabilization today amended the general freeze regulation to permit processors and millers of wheat, rye, corn and other grains to establish ceilings reflecting actual grain costs during the Dec. 19-Jan. 25 base period. O.P.S. said the regulation will have little if any effect on the price of flour to consumers because the price of wheat has decreased since the base period. Wheat accounts for 80 per cent of the cost of flour.

FORWARD PLANS FOR GIRL SCOUT DAY CAMP**Hope To Establish Site In This Area For 4 Units, 20 Girls Each****VOLUNTEERS NEEDED**

Plans are being pushed forward for the establishment of a day camp for Girl Scouts of the Bristol area.

Those working under jurisdiction of Bucks County Council of Girl Scouts state that a tentative site has been located near Bristol borough, and the committee in charge hopes to secure such.

The plan is to have the camp open July 9th, with girls from various troops in this area privileged to attend. The camp days, eight in number, will not be consecutive, it is stated. Girl Scouts, Brownies and Intermediates would be privileged to attend. Mrs. Charles Ramer, Fleetwing road, is camp director, with Mrs. Edward Priestly as co-director.

Various sites, means of transportation, duties of camp site committee members have been thoroughly discussed. Once determined upon, the site would have to be prepared for camping purpose. Such a site will have space for four units, with 20 girls assigned to a unit, two leaders being in charge. Cost to the Girls is to be \$1.50 for the eight days, it is announced, such fee covering craft materials and milk. The girls will provide their own boxes and lunches.

Several have volunteered as staff members, these to be trained in May. There will be needed, it is stated, individuals to prepare the site; also nurses as, a nurse must be in attendance each camp day. Those interested may contact Mrs. Ramer, "phone Bristol 5341."

It is announced by Mrs. Elwood Bilger, chairman of the recent cookie drive of the Girl Scouts, that the total sold by the five troops in Bristol and Bristol Terrace was 4928 boxes.

ONE MAN'S OPINION**By Walter Kiernan****(Distributed by International News Service)**

The way this student deferment plan works is quite simple—a student can quit studying the first year and get drafted immediately or study hard for four years and get drafted anyway.

This gives him a choice of two non-appealing alternatives. . . . He can have his army chow now or later, but they'll keep it warm for him anyway.

The advantage of completing the four year college course is that the student will have earned a degree and has only twenty-six months to go before he can use it for anything.

Twenty-six months is the rapid way of saying two years and two months. . . . That's not very long is you don't have to serve it.

Young men who don't go to college are invited to reach nineteen as rapidly as possible when they will be welcome to bear arms even if they don't have a sheepskin for a pinup for the barracks.

When they are twenty-one they will be permitted to vote . . . and probably it will not be necessary to send a car to bring them to the polls.

THE DISPLACED

Members of the United States Persons Commission are surveying colonies of Germans expelled from behind the iron curtain with the intention of encouraging their emigration to America if they have skills. Approximately 44,000 Germans are involved — farmers, craftsmen, scientists.

The United States can use these, of course, during the period when manpower will be short on account of rearmament. Many of them would make good citizens. But after the rearmament emergency is over and there is less demand for skilled manpower, they cannot be employed in America without extraordinary exertions, probably in the form of pump-priming public works.

America is not logically the permanent haven of these distressed of Europe. This country has already taken hundreds of thousands of them. Their opportunity lies in the still undeveloped lands of South America, Africa, Australia and other parts of the world where new horizons still beckon to pioneers.

A proper reshuffling of populations from overcrowded ancestral lands to new places of opportunity offers much for the solution of the world's ills. Every effort should be made to get these people to the spots that need them. All of them would like to come to the United States, but that will be impossible.

No nation in history has done as tenth as much as this country to help the unfortunate and the oppressed and the hungry. In addition, it has become the permanent haven of millions. But it is to be doubted if anything could be gained by moving the entire population of the globe to this land of the free.

A HERO COMES HOME

Robert Conner of the U. S. Marines was buried at Oklahoma City the other day. Although barely 17 years old he had seen two years of service, and died nobly in Korea. There was a great crowd of people at his funeral, banks of flowers, a guard of honor.

The chaplain talked about Robert. He likened the fallen soldier to another youth who, dying at the end of an act of great bravery, said, "but for this hour, for this cause, was I born."

Then the procession threaded its way through the streets of a busy city, where too few are concerned over the price American youth is called upon to pay because of the plight into which the nation has been steered by inept leaders.

Then six young men in powder blue carried the body to its last resting place. A color guard of Air Force men came smartly to present arms in salute to the dead. Another soldier raised a bugle to his lips. "The day is done . . . gone the sun."

Earlier the chaplain had said: "We are grateful for these boys who lay down their lives to stand between our homes and a ruthless enemy."

"Robert Conner died a hero, but much too soon," wrote a reporter.

Watchdogs of Freedom

it out in accordance with arbitrary restrictions having no real relationship with the purpose of the grant. Here is a long-standing difference of opinion on a matter dealing with Constitutional law—yet the Federal judiciary, set up to interpret Federal law, has persistently refused to pass upon the issues.

Or consider the question of the Trade Agreements Act. Constitutional lawyers insist that this contravenes the parts of our basic law which make Congress, and not the executive department, responsible for the regulation of foreign commerce, and that this program is therefore unconstitutional. For more than fifteen years certain groups have been attempting to get the Supreme Court to pass upon this point — but the court has refused to accept jurisdiction.

With this background, it is encouraging to see that the U. S. Court of Appeals has stepped into an executive matter and has cited Secretary of Commerce Sawyer, along with seven other Federal employees, in contempt proceedings rising out of the alleged failure of these individuals to carry out the laws as interpreted by the Federal courts.

This novel step is a move in the right direction. The worst phase of Uncle Sam's present troubles is the deadlock between Congress, the law-making branch of the government, and the President, who heads the executive department the primary responsibility of which is to carry out the laws and policies laid down by the people's representatives, the Congress.

There is only one possible umpire in such a dispute. By one process or another, the Federal courts can determine who is right. Once that is done, then either by moral suasion or by injunctive action such as now being tried, or even by impeachment proceedings if this be necessary, the branch of the government which is in the wrong can be compelled to submit to the Constitution.

Township Civic Group Discusses Conditions

for mosquito control, (3) inspection and licensing of welfare homes, and (4) inspection and enforcement of sanitation code in taprooms and bars.

Four new members were proposed and accepted for membership in the Association. The announcement was made by Mrs. Marie Davis, chairman of the membership committee.

Chairman Arthur S. Baas made a brief report of the establishment of wards in the Township. President Booz requested Commissioner Harris for a report of action taken by the commissioners in the matter of establishment of wards. Commissioner Harris stated he had been advised that any action would have to be instituted by the freeholders of the Township in the form of a petition to the Court and that any such action that would be taken in this matter would be sanctioned by the Board of Commissioners. Mr. Booz then appointed additional members to the special committee to secure legal counsel and take the proper and necessary steps to have such a petition drawn up and circulated throughout the Township. It was finally agreed that the nomenclature only of "voting districts" would be changed to designate "wards" and in this way eliminate a lengthy investigation of boundary changes, etc., by the court.

Public Relations Committee Chairman A. C. Smith reported that he had contacted the property officer of Sears, Roebuck & Company and had been informed that even though they had made no plans to build in Bristol Township, they are desirous of securing a building of 20,000-40,000 square feet of floor space for the purpose of opening a store. It was also their desire to have available parking space near this building. They may build and open their store if and when the Government authorities release certain building materials.

The problem of numbering houses throughout the Township to facilitate better postal delivery was discussed. It was agreed that at the present time this could be a long drawn out and probably foolish move due to the rapid growth of the Township. The existence of an inefficient postal delivery service was cited. Mr. Harry Lehr, representative from the Croydon area, and an employee of the postal department, quoted the postal law on parcel post delivery and the requirements necessary to have a truck put into operation in this area. The residents of Croydon who were present at this meeting expressed their dissatisfaction of the present parcel post delivery and it was agreed that the Secretary of the Civic Association should address a letter to Mr. Stevens, Inspector in Charge, General Post Office, Room 419, 30th & Market streets, Philadelphia, and it was also stated that individual correspondence would further enlighten the postal authorities of the inadequate service.

For the good and welfare of the meeting, Vice - President Smith stressed the importance of closer screening of individual or petty complaints. He stated that all problems should be directly beneficial to the whole township and not just one block.

Warren Jennings, Chairman of the Hospital Committee, reported that an architect's model of the new Lower Bucks County Hospital

had been received for placing cast iron piping at the pumping station connecting the new building with the old system. Two dollars was the difference between the bids. Lots were drawn and the low bidder got the job for \$6,688. A 40-hour week for employees of the department is to be given a 90-day trial.

The man on night duty at the pumping station at the water works is to call police headquarters every half hour, hereafter, instead of every hour and if calls are not received police patrol car is to investigate. This is a safety measure.

The new working schedule of 42 hours for police, James Eagan, chairman of police committee, reported, went into effect March 19th. He said that the efficiency of the department has increased. More arrests have been made particularly for speeding. Eagan read a letter of appreciation from the Legion Post of Roeboling which is printed elsewhere in these columns. Commendation of the police committee was extended to the police department.

Eagan also reported that the State had authorized placing traffic lights at Beaver street and Route 13 and at Farragut avenue and Green Lane. The state rejected the placing of a light at Route 13 and Bath street. Filing of applications for these lights were authorized by council, the work to be done when the money is available. The police pension benefit show was authorized. The committee is to advertise for bids for uniform replacements to the extent of about \$1100.

Bristol police made 22 arrests during the month of March. The cases were disposed of as follows: Held for court, six; fined, five; committed to County Prison, three; turned over to other police, four; discharged, four. There were 119 lodgers sheltered; 27 street lights reported out; three doors found unlocked; 163 radio alarms answered; 147 township radio alarms answered; fined for parking violations, 96; money collected for parking violations, \$96; radio car driven 3,981 miles; received from parking meter collections, \$836.78.

One dog and one cat were destroyed; 82 escorts furnished; three delinquents warned; accidents investigated, 15; collision of automobiles, 10; collision with fixed object, two; collision with pedestrians, three; persons injured in collision of automobiles, one; pedestrians injured, three; property damage, nine.

John H. Wichser, chairman of fire

committee, told council that the committee had met with the Bristol Township Commissioners and that the firemen would continue to work with the firemen of Bristol Township. Chief Hagerman to relay calls to Township firemen. Mr. Wichser stated that the committee supported the methods of Fire Chief Clifford Hagerman.

A report of Chief Hagerman of fire drills held in all schools April 9th was read as follows:

Bath St. school—55 seconds; fire alarm, good; building, good.
Jefferson Ave. school—1 minute, 50 seconds, not so good; fire alarm, good; building, good.

High School—1 minute 50 seconds; fire alarm, good; building, good.

Washington St. school—1 minute; fire alarm, good; building, good.

St. Mark's school—1 minute; fire alarm, not so good, will be fixed; building, good.

St. Ann's school—1 minute, two seconds; fire alarm, good; building, good.

Wood St. school will be tested shortly. Co-operation on the part of all schools excellent.

Mr. Wichser, also informed council that paid men in the fire department could not be placed on a 40-hour work schedule without the employment of additional help. He stated that the Bristol Blood Donors had requested to have ambulance answer fire calls and that the fire alarm system be used to summon ambulance drivers. He stated that both requests had been thought inadvisable. C. W. Winter moved that the firemen be placed on a 40-hour schedule but the motion was not seconded. The committee was authorized to advertise for 2000 feet, more or less, of 2½ water hose.

Norman K. Vogel, chairman of parking lot committee of Mill Street Business Men's Association, addressed council upon the motion of William Wallace, and requested council to authorize the Association's plan to improve a portion of the parking lot extending from Wood street to Cedar street. The permission was given subject to the money estimated at \$25,000 being paid into the general fund of the

borough and being disbursed by the borough and the agreements being subject to the approval of borough solicitor. Bids are to be asked.

George Duffy, chairman finance committee, asked for a correction in agreement between Bristol Township and Bristol Borough for rental of radio police alarm service whereby the borough is to refund to the township a certain amount per day, the first day the alarm is out of order instead of after 30 days out of service. It was approved.

Request of Penn Realty Company to place sign on borough property along Roxers Road was referred to finance and public property committee.

Mr. Myers stated that a nuisance ordinance is now in the hands of the borough solicitor.

Petition was received to improve Clear street from Second avenue to Spring street. Referred to street committee.

Bristol Blood Donors were given permission to solicit funds in the borough from May 7th to 19th.

Donations of \$100 each were voted to Tercher Post VFW and Bracken Post, American Legion, for Memorial Day expenses.

Justice of Peace, Anthony Niccol, reported \$135 from fines and \$350 for damage done to police car glass had been collected and turned over to the borough.

The invocation was by Lehman Strauss, pastor of Calvary Baptist Church.

Russian Refugees Reach Here Safely

him, with the Fedders-Quigan Corporation, Trenton, where Lapizky is also employed. He started his new task yesterday.

According to Mrs. Lapizky, who served as spokesman for the Kuznins, the three new arrivals are in good health. The baby is a rolly poly tot, with a ready smile.

The Kuznins are Russian refugees, taken to Germany for slave labor in 1942, and have been displaced persons since 1945. The fam-

ily is sponsored to Pennsylvania by the United Ukrainian American Relief Committee.

The Kuznins met and married in Germany in 1948. They had been liberated by the Allied armies in the spring of 1945, and were later admitted to UN care. They lived in UNRRA and IRO installations at Fussen and Schleissheim until June, 1950.

Committee To Secure Twp. Change Information

EDDINGTON, Apr. 10—A committee was officially appointed last evening by Bensalem Township Taxpayers Association to secure information on details entailed for changing Bensalem township, now a second class township, to that of first class.

This committee is composed of: Raymond Wink, Russell Dowell, John Wolaniuk, and Leonard Ridge.

Tentative plans were also made, states the president, Robert O'Neal, to have leaflets, regarding such plan, and which will also give information on other activities in the township, dropped over the township from an airplane. This project is to take place within the next two weeks, it was announced, date to be given later.

At a special meeting to be called in the near future, a guest speaker will address township residents. Date of this session will be announced, it is stated.

The regular meetings of the organization are held on the second Monday evening of each month. Efforts are being made to secure a permanent meeting place. The May meeting, on the evening of the 14th, will be held at the home of O. Tremski, Street road, where last evening's session took place. Approximately 100 were in attendance.

Presiding officer was Robert O'Neal. The resignation of Leon Wolaniuk, secretary, was accepted. Mr. Wolaniuk being hospitalized. Named as his successor is Mrs. James Mitchell, Jr., of Bridgewater.

ey, withdrew a motion for a new trial in connection with Gagliotti and sentence was imposed on the two young men charged with assault and battery with intent to ravish, aggravated assault and battery, and assault and battery.

The two defendants attempted to plead guilty before President Judge Keller in September, 1950, but denied their crimes took place in Bucks county but in a municipal park in Trenton, N. J.

The Court directed them to be tried by a jury during the December 1950 term, and they were convicted. A car was stolen by one of the defendants in which to take the girl for a ride but they were not charged with that offense here.

Whitehead, the older of the two, and a World War II veteran, who served in a New Jersey penal institution, was sentenced by Judge Edgeward Blester in Sept., 1950, when he pleaded guilty to stealing from cars in the Washington Crossing Park section. He was given from six to 12 months. He lives at 200 Mercer street, Trenton, and Gagliotti resided at 48 North Clinton street.

Newtown Confirmation Is Followed by A Tea

NEWTOWN, Apr. 10—The Rt. Rev. Oliver J. Hart, D. D., Bishop of the Episcopal Diocese of Pennsylvania, presided at confirmation services in St. Luke's Episcopal Church, Sunday afternoon. Mr. and Mrs. Alfred A. McNamara, Hubert Noteboom and Miss Mary Packer were confirmed.

Tea was then served in the parish house, with Mrs. Franklin Linton and Mrs. J. Herman Barnsley at the tea table. Mrs. John Chambers, president of the Women's Auxiliary, and Mrs. Amos C. Bond, president of the Evening Branch of the Auxiliary, were on the committee making arrangements.

Don't Be Satisfied With Symptomatic Relief

YES, HADACOL MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF

Aches and Pains, Stomach Distress, Weak, Run-down Conditions and Nervousness When Due To Lack of Vitamins B₁, B₂, Niacin and Iron In Your System

Mrs. A. Plonka of 3202 S. Aberdeen, Chicago, Ill.: "My daughter Carmelita, who is 10 years old and in the fifth grade, had always been underweight and I had to positively force her to eat. She had no interest in food whatsoever, but I knew that she had to eat. When we were visiting my mother in Missouri over the Christmas holidays she suggested I give Carmelita HADACOL. I bought a large bottle of it that same day and was amazed at the change in Carmelita. Her appetite picked right up and she now eats three hearty meals a day plus in-between snacks. I have really praised HADACOL, and highly recommend it."

G. E. Moncus, 221 Columbus St., Montgomery, Ala.: "Quite some time ago I began to have indigestion and sour stomach. My food just didn't digest right. I'd get a full, 'gassy' feeling after I ate. This affected my appetite and my weight. I was run-down, too. My wife started taking HADACOL and so did my daughter. I saw how much it had helped them, so I started taking it. And HADACOL has certainly helped me, too. My stomach never bothers me any more. I have a terrific appetite and have gained weight. I have lots of energy and just feel good in every way. I think HADACOL is wonderful. I wish I could tell everyone just how wonderful it really is."

Mrs. W. O. Jones, 7244 N. Bell St., Chicago, Ill.: "I am a housewife and mother of three children. I had been feeling very run-down, would tire so easily, and just felt listless. My mother-in-law suggested I take HADACOL, as she had heard of it through friends of hers. I just took it for a few days, when I noticed I was feeling stronger and seemed to have more energy. I continued taking HADACOL and it has certainly built up my strength. I am no longer run-down, don't tire nearly as much. I am now on my sixth large bottle of HADACOL, and intend to continue taking it."

William J. Dunlap, 4104 Freer St., Apt. 2, Detroit, Mich.: "Along with the pains I suffered my body had a tired, worn-out feeling. I had to force myself to keep going. I read about HADACOL and decided to give it a try. Am now on my fifth bottle and would not be without an ample supply. My first bottle gave me astonishing relief, and at this time of writing I feel better, without a pain or ache. Am a dairy employee, 54 years old. Veteran of two world wars. Active overseas in both. I have given your HADACOL every praise to friends and relatives and know some are using it with just as astonishing results as I myself have found."

Give HADACOL A Chance To Help YOU

If your system lacks these essential elements, you will be amazed at the wonderful results HADACOL can bring you, as it has to thousands of other fine folks who suffered a deficiency of Vitamins B₁, B₂, Niacin and Iron, which HADACOL contains.

HADACOL is that wonderful new preparation—promising blessed relief for your indigestion, stomach disturbances (gas, heartburn, sour "risings" after meals), as well as that general

run-down condition, and annoying aches and pains, if due to a lack of Vitamins B₁, B₂, Iron and Niacin in your system. Don't go through life suffering with conditions caused by such deficiencies when relief may be as close at hand as the nearest drugstore for sufferers from these deficiencies. Buy HADACOL today. Trial size bottle only \$1.25. Large family economy size, \$3.50. Refuse substitutes. There's only one true and genuine HADACOL.

Postmasters Completing Plans For Dinner Party

The postmasters of Bucks County are in quite a dither these days making the final arrangements for their annual spring dinner party, Apr. 18th at 7:45 p. m. at the Perkasie Legion club.

The executive committee met last week at the home of president L. A. Hampton, Hollings, where final plans were discussed. The guest speaker will be Jerry Dwyer, Director of City Delivery Service, United States Postal department, Washington, D. C.

Montgomery County Postmasters' Association, with its 109 offices, are joining with the 96 offices of the Bucks County Postmasters' association. Raymond A. Thomas, postmaster of Philadelphia, will also be a guest as well as J. A. Noone, Philadelphia postal inspector. Mr. Thomas will meet Mr. Dwyer's Washington train and take her and his party to the club.

Postmaster Trauger, Perkasie and Postmaster William Rufe, Sellersville will act as hosts. The remarkable growth of the Bucks County Association in its three short years is surely proven by the interest and attention shown in this dinner party.

The famous county of Bucks is becoming more prominent each day with its artists, writers, and more recently the steel mills. Postmasters of the County are directly affected to the extent of increasing services to its rapidly increasing population. No wonder such an organization is necessary to cope with the various problems that go hand in hand with rapid growth. As a result of such growth many of the second class post offices will become first class. The speaker of the evening will give the postmasters some advice and help.

ODDS AGAINST YANKEES AND PHILLIES SERIES

Who gets the pennants in 1951? What big league teams have improved—and by how much? The Major League flag races open one week from today, and the following article—the first of four in international news service's annual "last look" at prospects for the various teams—starts at the top, with the pennant-winners and runners-up from a year ago in the American and National leagues.

By Charles Elstein
INS Sports Writer

NEW YORK, Apr. 10.—(INS)—The odds against a Yankees-Phillies World Series in 1951 are about the same as they were this time a year ago. Neither team was considered the likeliest pennant-winner in 1950, and neither is favored in 1951.

The fact that both clubs happened to win the pennants last year, the Yankees in the American League and the Phils in the National, can be taken as sufficient warning this time around. There is a maxim in baseball, as in racing, that the best thing you can do is stick with a winner.

This certainly, is what managers Casey Stengel of the Yankees and Eddie Sawyer of the Phillies are doing. By and large, their opening lineups next Tuesday will be the same as those that won the pennants in 1950.

The parallel between the two defending champions can be drawn even further. The big job for each this season will be to compensate for the loss of a star young left-handed pitcher called to the colors—the Phils for 17-game-winning Curt Simmons, the Yanks for Ed Ford, who won nine, lost one.

Like the Yankees, the Detroit Tigers, who finished second in the American League in 1950, lost a top young hurler to the army, in the person of Art Houtteman.

The only team among the top two finishers in each league that has escaped a summons from the military is the Brooklyn Dodgers, who were not counted mathematically out by the Phillies until the last day of the season. Yet the Dodgers, disappointed pennant favorites in 1950, underwent the most vigorous post-season shakeup of all. They canned kindly old Bert Shotton, the manager, in favor of Charlie Dressen.

Dressen finds himself favored for the pennant this season. He has just about the best catching, one of the best infielders and two of the best outfielders in baseball. His pitching staff is essentially the same one that didn't win the number of games it was supposed to last season.

Dressen's task is to shake more victories from his pitchers, a task at which, as a coach, he has proved adept. On paper, as usual, the Dodgers figure to be best in the league, with a staff headed by Don Newcombe and Preacher Roe and a batting order bristling with names like Robinson, Hodges, Snider and Furillo.

But the Phillies still have a pitcher named Roberts and a volume of pitchers entitled Konstanty. And the sniping will extend throughout the National League.

In the American, it is hard to rate the Tigers as strongly as they were rated a year ago. Their bench is not strong, and they will have to display a suitable pitching replacement for Houtteman.

As for the Yankees, they're never supposed to win the pennant nowadays. Only thing is, they're world champions. And when a Henrich retires or a Ford goes to the army, somebody always seems to be there to take it up for them.

WILLIAMS FIELD, CHANDLER, Ariz., Apr. 10.—The chapel at the Air Force Base, here, on April 1st, at three p. m., was the scene of the ceremony which united in marriage Miss Helen Maxine Sarten, daughter of Mr. and Mrs. Omer Sarten, of Phoenix, and S/Sgt. Joseph Perry, U. S. Air Force, son of Councilman and Mrs. Joseph A. Perry, 312 Jefferson avenue, Bristol, Pa. The officiating priest was the Rev. Damien A. Niedhammer, base chaplain. The maid of honor was Miss Marjorie Burke, of Phoenix, and best man, S/Sgt. John Ballotta, of Williams Field and Providence, R. I.

S/Sgt. Perry is a graduate of Bristol high school. His wife is a graduate of Phoenix high school and Phoenix Business College. A reception was held at the home of the bride's parents.

The two will reside in an apartment in Phoenix.

Councilman and Mrs. Joseph A. Perry attended the Perry-Sarten wedding at Phoenix, Ariz., on April 1st.

Damage to Auto and Pole Listed at \$300

An operator of a motor vehicle figured in an accident, last evening, in Bensalem township, which caused \$300 damage to his machine and a utility pole, which the vehicle struck.

According to state police at Langhorne barracks, Raymond J. Jenigen, 18, 804 4th avenue, Bristol, was traveling south on Street road, Bensalem township, last night at 10 o'clock, when it is said he fell asleep at the wheel, causing the vehicle to leave the road and striking the pole.

Damage to the vehicle is reported to be \$200, and \$100 to the pole. No injuries were sustained by Jenigen. He will be charged with reckless driving, it is stated.

Investigation was made by Pvt. Thomas.

Mr. Murfit said: "I am happy to say that in 14 years, the Bucks County Salvation Army Campaign has never missed making its quota. I feel confident that this year will be no exception. The world situation being what it is, we have an even heavier responsibility than ever to do the best we can in our regular homefront activities and also for our many thousands of young men who have again donned the uniform of their country."

"We have this year, fortunately, more workers than ever and more communities in the county being covered by house-to-house solicitation than ever before, and I hope that the people of Bucks County will again, generously, support this worthy cause. May I appeal to you that if you are not, by some chance, personally contacted by a worker in your community, you may send your contribution to headquarters, Newtown, Pennsylvania, or to any other chairman in the various communities mentioned. They will be more than happy to receive your donations. May I take this opportunity to wish our hundreds of workers in Bucks County the success which their efforts deserve."

COUNCIL ROCK LOSES TO DELHAAS BY SINGLE RUN

NEWTOWN, Apr. 10.—Timely hitting by John Pearl and a long triple by Joe Muth helped Delhaas high to open its 1951 baseball season with a 6-5 win over Council Rock high, here, yesterday afternoon.

Pearl had two of the Delhaas six hits and his bingles accounted for four runs batted in. In the sixth, Muth got his second hit of the game, a three-bagger. He scored on Carver's error, the tally proving to be the winning marker.

Jan Gouza who hurled the last four innings for Coach Stan Dick's team was credited with the mound win. Dick Orner pitched the first three frames.

Gouza was in real difficulty in the last inning when Council Rock loaded the bags. Delhaas had a 6-2 lead but this was cut to one run when the three base-runners stole home, each advancing on the previous steal.

Progress Reported On Cornwells Fire Station

CORNWELLS HEIGHTS, Apr. 10.—A meeting of Cornwells Fire Co. No. 1, was held Thursday with J. Alfred Rigby, Jr., presiding. One new member was welcomed, namely, Nicholas Pasqualone.

Elliott Dutch, chairman of the building committee reported that steel has been erected on the fire company's ground, and if progress is as expected, members should move into their new building by October. Calvin Freas reported that the next Marine Association meeting will be held April 12th at Trenton, N. J. He also spoke of the drowning call at the Sea Scouts base in Eddington where five youths had been hurled into the river when their boat overturned. Samuel Lock and reported for the fire police that their banquet will be held at Goodwill Fire Co., No. 3 station, Bristol, April 21; also that the directors of the State Fire Police Association will hold a meeting in Cornwells, Fire Company's station Friday evening, April 13.

The five members appointed as delegates to the Bucks County Firemen's Association for the year 1951 are as follows: Glen Cobleigh, Joseph Latz, Charles Hill, Joseph Bruns, and Warren Poston.

Chief Ervin gave the fire report for the month of March: 14 fields, one Barn, one garage, 16 calls in all.

Motor Traffic Signs Planned for Tullytown

TULLYTOWN, Apr. 10.—Decision was made last evening to purchase motor traffic signs to be erected within the borough limits of Tullytown, when borough councilmen met in the fire station.

Routine business was discussed with Nicholas Eberle, president, in charge.

Council members attending were: Rufus King, Joseph Cutchinal, Sr., Harry June, John Luciano, Michael Piroli, secretary, William Swangler, borough treasurer, George Wright, street commissioner, Norris White, and President Eberle. One member, Arthur Leigh, was absent.

Due to the increased traffic through the borough, travelling to and from the new steel mill site, it was decided to purchase street signs for the protection of school children, speed limit signs, and "no parking" signs, to be placed near the fire station and bus stops.

CARD PRIZES

Among prizes to be given at the card party this evening at 8:45 given by Catholic Daughters at the Knights of Columbus Home, Radcliffe street, are the following: bread box, garbage pail, crocheted dollies, glassware, etc. Mrs. Margaret Murphy is chairman of the committee.
